

A MESSAGE FROM THE CO-OP BOARD

These are not ordinary times. More than ever, we value the Concord Food Co-op as our reliable local source of healthy food. The Co-op is working hard to keep our two stores operating safely for all. The board is proud of what the staff has accomplished – please join us in expressing your appreciation of staff the next time you shop. Their work has been extraordinary and heroic!

With safety in mind, the board is planning the annual election of board members. Last year we offered optional electronic voting for the first time. This year voting will be 100% online.

We have also extended the deadline for applications to run for the board from July 1st to August 1st, due to the demands of the pandemic. The board wants to encourage as many members to participate in the election as possible.

Enthusiastic Concord Food Co-op members are encouraged to consider running for the board of directors. Serving on the board is both fun and rewarding! Please join us if you are passionate about:

- Providing healthy food
- Promoting a vibrant local economy
- Compensating employees fairly
- Operating in an environmentally responsible and sustainable manner

To learn more about the opportunities for serving on the board, please send an email to nominating@concordfoodcoop.coop with your contact information. A board member would be happy to discuss this with you.
